

INTESTINAL WORMS Weekly Update 3/3

Book a time to discuss progress - <https://calendly.com/kkubelick3/15min>

Date:

Last Week's Achievements:
Finished labeling dataset

This Week's Targets:
Work on final report
Export dataset in correct format & upload to github

Questions for Discussion During Class (if applicable, otherwise write N/A):
We noticed there's no team status on the final report rubric – just wanted to make sure we don't need to include it!

Upcoming Milestones:
Final Report
